Viridor serco recycle for Milton Keynes MILTON KEYNES COUNCIL

Here come the blushing brides!

IT WAS a walk with a difference at the centre:mk as brides re-lived their big day for charity.

Dozens of ladies put on their wedding dresses to walk around the shopping centre in aid of the Henry Allen Appeal, which is battling to raise money to send four-year-old Henry abroad for cancer treatment. And the stunning bunch of brides raised a whopping £1,286.

Now Questor Woburn Bridal Boutique, which organised the walk, plan to make it an annual event to help a number of charities.

To take part next year, email info@zaramason.com.

Hostel faces closure following complaints

BY SCOTT KIRK

scott.kirk@mk-news.co.uk

A BLETCHLEY hostel for homeless people will have to close down after troubled young adults left residents facing a life of misery.

Drinking, vandalism, anti-social behaviour and verbal abuse are just some of the problems claimed to be taking place at St Mungo's on St George's Street, which provides accommodation for homeless people aged 16 to 21. Residents around the hostel have been complaining for months about the problems, and their concerns were answered at a Milton Keynes Council development control committee meeting last week.

A retrospective planning application for the continued use of the hostel was rejected by the committee after chairman Councillor Mick Legg was forced to cast the deciding vote when councillors were tied over a decision to grant the application.

Resident Jacqui Kelly, who spoke against the application at the meeting, said her 13-year-old daughter was 'too afraid' to go outside by herself because of the anti-social behaviour.

Cllr John Hawthorn, a committee member, said: "This is a facility that is necessary in Milton Keynes and St Mungo's provide a very useful service. My problem is with the location.

"St Mungo's have had nearly six months there and don't seem to have placated the local neighbours."

The facility could house up to 12 people, and now St Mungo's will have to make alternative arrangements about where to house the homeless.

A St Mungo's spokesperson said: "This is disappointing as we wanted to be able to offer better facilities to homeless young people in Milton Keynes.

"We will be talking to the council about next steps forward."

Judge rejects drug dealer's prison appeal

A MAN caught dealing heroin and cocaine during a police crackdown in Milton Keynes has failed to convince judges his jail term was too tough.

Fatah Khalif Ahmed, 27, dabbled in hard drugs soon after the birth of his child, London's Appeal Court heard.

His wife had 'no idea' about his activities, his lawyers told the court, and he is now 'full of shame and remorse'.

Ahmed, of Conniburrow Boulevard, was snared by police involved in unravelling an extensive local drugs ring dubbed the 'Orlando Network'.

He was among 12 individuals involved, said Mr Justice Turner, although his role was a relatively minor one.

Each member had a mobile with a number ending in 8888 which users called when they wanted drugs.

Ahmed was arrested after an undercover officer brought a series of street 'deals' from him.

He was jailed for three years and 10 months at Aylesbury Crown Court in January after admitting four counts of supplying heroin or cocaine.

Ahmed's case reached the Appeal Court yesterday as he challenged the length of his sentence.

Mr Justice Turner said Thames Valley Police had been desperate to tackle the Orlando Network because street dealing was having a 'major impact' in Milton Keynes.

Dismissing the appeal, the judge said: "Ahmed was part of a well-organised criminal network causing considerable harm to the community. His sentence was not manifestly excessive."

Plans to build solar farm at 'early stage'

BY JAMES AVERILL
james.averill@mk-news.co.uk

PLANS to build a solar farm in Newport Pagnell are in 'the early stages'.

MK NEWS can reveal that Green Energy UK has submitted a screening opinion request to Milton Keynes Council for farmland at The Kickles, in Newport Pagnell.

The request is the first stage before a planning application is submitted, and evaluates whether a development should be subject to environmental assessment.

The plans would see 24,000 panels built on the six mega watt site, which would be enough to power 4,000 homes in the community.

Each panel would be three metres high, and part of the site would be visible to nearby residents.

Rod Crosby, a business development manager at Green Energy UK, who is in charge of overseeing the project, told MK NEWS that while some residents may object, it was the 'ideal' place to build what would be the city's first solar farm.

He said: "It's in the very early stages of development. The panels would last for 25 years, so it's not a permanent site, and the sheep can graze on the land around it.

"We all need electricity, and this is an ideal plot of land. But we also want to speak with residents to mitigate any nuisances they may think of."

Green Energy UK anticipates that a full planning application could be submitted by January 2014.

What do you think of the plans? Do you think it would be a good source of renewable energy or a blot on the landscape? Share your views online at www.mkweb.co.uk.

Charity single for brave Levi

A MILTON Keynes artist is releasing a charity single to help his teenage friend while he battles cancer.

Reuben Fiander, 30, aka Soul Urban Poet, will release 'Stronger' to raise cash for 13-year-old Levi Henson.

Levi was diagnosed with retinal cancer when he was just a year old and lost one of his eyes.

Although he was eventually given the all clear and lived a normal life, Levi was recently diagnosed with osteosarcoma, an aggressive bone cancer.

And now to help out his friend and their family, Reuben, along with local singer Ellie Antonini and Lost Boys Studios hopes to release the RnB track in October.

Reuben, who released a debut album in 2011, said: "I know Levi's adopted father, and they've become good friends.

"This is the most difficult song I have written because it's been so personal, I've had to rewrite the lyrics three times.

"We just want to help out Levi and his family to raise some cash and help them with treatment, or maybe send them on a holiday."

Boy, 16, is charged

A 16-YEAR-OLD boy has been charged with two counts of assault. The boy was 15 when he was arrested on suspicion of assault at the Central Personalised Education Centre (CPEC) in Coffee Hall. It follows an incident outside CPEC which happened on September 25.

Man assaulted on redway

A 38-year-old man has been arrested after a man was assaulted on a redway in Bletchley.

Between 5.30pm and 6pm on Monday, September 30, the victim, a man in his fifties, was walking between Peverel Drive, Granby Court and V6 Grafton Street.

He was suddenly assaulted by a man who punched him to the ground and kicked him several times, causing fractured ribs.

He also suffered bruising to his face and was taken to Milton Keynes Hospital.

The arrested man has been bailed until November 15.

Woman kicked in the face

A WOMAN was pulled to the floor and kicked in the face in a fight outside a pub in Stony Stratford.

Thames Valley Police is appealing for information following the assault, which happened at about 12.20am on Sunday, October 6 outside the Foresters Arms pub in Wolverton Road.

The offender is a white female aged around 21, 5ft 6ins tall. She has brown shoulder-length hair and wore a black and white dress.

Worried mums: The message is clear from mothers who want to keep the baby clinic at Wolverton

Mums anger over baby clinic

MORE than 200 parents have signed a petition to try and keep their baby clinic.

Plans have emerged for the closure of Wolverton's baby clinic at the current health centre on Gloucester Road. This will force parents to travel to clinics in New Bradwell and Fullers Slade.

Despite a larger health centre currently being built in Wolverton, Milton Keynes Community Health Services (MKCHS) decided 'there is no longer a suitable room'. A spokesman from MKCHS added: "The surrounding children's centres offer more appropriate space and other support services."

After residents contacted MP Mark Lancaster, MKCHS has offered to keep the service open until the end of November, while users are consulted about its future.

Steward saved after heart attack

BY JESSICA DUNCAN
jessica.duncan@mk-news.co.uk

MEMBERS of the public saved the life of an MK Dons steward after he suffered a heart attack.

Patrick Boon, 67, from West Bletchley, collapsed after the Dons home game on Saturday September 28, against Stevenage.

Fortunately for Mr Boon two members of the public saw him in trouble and rushed to help.

Iain Smith, 41, from Crown Hill, gave Mr Boon the crucial CPR which saved his life and was asked by paramedics to help them by continuing.

Life-saver: Iain Smith, aged 41

Mr Smith said: "It was just by chance that I was there on Saturday as I don't usually wait in that area.

"I saw Pat just standing there looking right as rain until he walked over to a lamp-post and grabbed it. I ran over grabbed his hand and spoke to him, whilst my friend called the ambulance.

"I put him in the recovery position and continued talking to him.

"He was making noises but went purple, so I then knew he was having problems with his breathing.

"I started doing CPR on him and when paramedics arrived they asked me to continue while they put a line in.

"After 15 minutes of chest compressions two more paramedics turned up and they found a faint pulse and took him to Milton Keynes Hospital."

Mr Boon was meant to be celebrating his 50th wedding anniversary on Monday September 30. Instead he was in intensive care at Milton Keynes Hospital. Patrick's daughter Susan Boon said: "These members of the public saved my dad's life."

Paul Heald, 45, Dons' goalkeeping coach and a friend of Pat, said: "All the players and staff are grateful to the men that helped Pat. He is a big part of the club and always the first friendly face who meets the players and referees and makes everyone at ease.

"It will be a strange atmosphere at the next home game not having him here, but we hope to see him better soon."

Put brakes on plans

I WHOLEHEARTEDLY support John Hawthorn in his bid to improve safety in the Western Expansion Area by incorporating pedestrian underpasses as reported in last week's MK NEWS (Work set to start on 6,500 homes).

What our enlightened planners are overlooking by proposing 'at grade' crossings is that when the M1 is blocked traffic migrates to the A5D, when that overloads traffic migrates to Watling Street.

The volume of traffic is only going to increase and it beggars belief that they intend to cause more blockages on what was once a major highway since Roman times.

Watling Street should be preserved and restored to a decent through route with minimal disruption to flow.

Those of us in Stony Stratford have seen the impact of traffic turning right out of housing estates.

On this new development can we get traffic to turn left and then right via the nearest roundabout?

'Ashamed' of rubbish

AS A resident of Water Eaton, I walk almost everywhere in the immediate area to visit Bletchley shops and doctors etc.

I have noticed, without any reservation, the increase in rubbish that is deposited on our grass areas and footpaths.

Obviously I notice my area off Hunter Drive and along Water Eaton Road more than others. I regularly send emails to the street cleaning department about this issue.

I am ashamed of the picture people visiting our area must have, especially along the main entry road of Water Eaton.

Along this whole road there are two rubbish bins and both are outside the Co-Op. This is visited on a regular basis by up to four cleaners, who once the Co Op forecourt is clean appear to disappear. Why are we paying council tax for such a service? Where is the supervision? I do not blame the workers who come out in all weathers to battle against the tide of filth on our roads , but those who are alleged to be in charge.

Do I see any councillor on Milton Keynes Council bringing this issue up at meetings?

We need bins and also educational visits to schools. Posters and visits to Bletchley take aways to get them to take some responsibility for the rubbish they generate.

R Brinsley, Water Eaton Residents' Association
Hunter Drive

It's time to take action

I AM sure that many of the residents of Wolverton would like to see the Agora site redeveloped (*Thumbs up for Agora plans, MK NEWS, October 2*).

That said, it would be interesting to know 90 per cent of how many (relatively few I would imagine).

The suggestion that this might happen has been around for a number of years.

As a consequence the current owners and retailers are unlikely to want to invest in the fabric of the current building: indeed the Post Office recently did a rapid U-turn on an announced refurbishment of its own facility.

The longer this goes on without any resolution the greater will be the blight at the heart of Wolverton.

Those pressing for this change must present a firm timetable and stick to it.

If no developer can be found who wants to buy and redevelop the site then the current owners and retailers must be given the prospect of a reasonable length of time in the building as it is so that they will feel it is worthwhile investing in their businesses – making the Agora less of an eyesore than it is increasingly becoming.

Turn over a new leaf

HOW much longer will we have to endure the sad sight of the expiring oak tree in the atrium of Midsummer Place as we walk through from the shopping building?

Management of this tree was unsuccessful, despite sophisticated measures having been put in place to ensure its survival.

In my opinion the future should be:

1. Allow a sculptor to transform the trunk into a beautiful work of art.

There are many examples of this being done in a variety of settings nationwide

2. Plant another tree on the same site and ensure that it grows and thrives.

MUSIC promotor turned professor, Chris Kemp, has a very special celebration this month.

It was 26 years ago that he started the infamous Pitz Music Club in the unlikely setting of Woughton Leisure Centre.

Under his tenure, the venue was transformed from functional sports hall to mini arena attracting the top rock names of the late 80s to 90s.

The Pitz was held in such high regard, that rock bible Kerrang! voted it in the top five rock music venues in the country.

Chris, 54, said: "People loved the relaxed atmosphere at The Pitz and we'd get people visiting from all over Europe."

Top acts including Iron Maiden, The Soup Dragons, PJ Harvey and The Pasadena's played there.

And the venue made national headlines when Chris banned up-and-coming indie band Blur from playing there again after the guitarist threw his guitar into the audience, injuring a concert-goer.

Lighting the way: Professor Chris Kemp, Sir Steve Redgrave and Olympic swimming medallist Adrian Moorhouse with the Olympic torch

But in 1992 Chris left The Pitz and joined the University of Buckingham as a lecturer, later earning the title professor. While there he developed the first music industry management degree in the world, created his own record label, INFX, and has written a dozen industry-leading books on the subject.

Using all his knowledge of the music industry, Chris is now a world leading expert on the subject of crowd control and management and advises venues and promoters all over the world through his company, the Mind Over Matter Consultancy. He has even developed a unique pressure suit which can measure the crush and temperature felt by those squashed at the front of a concert, or other event. The suit even featured on BBC1's Bang Goes The Theory a few months ago.

"I've worked all over the world at events and festivals, including the London 2012 Oympics, but I'll always have fond memories of my time at The Pitz," said Chris.

A final journey for 'Rocket Ron'

BY JAMES AVERILL
james.averill@mk-news.co.uk

TRIBUTES have been paid to a roadsweeper who was the 'heart and soul' of Stony Stratford High Street.

Residents in the town have been saddened to learn of the death of 'Rocket Ron' Jones (*pictured*) who was a permanent fixture cleaning the streets for a number of years.

And now residents will line-up along the High Street on October 14 to say goodbye to one of its most beloved friends, when his funeral procession will pass through.

Ron, a great grandad who passed away on October 1, aged 73, worked for council contractors Cory and then Serco, He received an award from the town council for his service to the community in 2006 – before retiring in 2009.

It was often said in Stony Stratford that 'Rocket Ron' could empty 'three dustbins in the time it took a normal man to do one'.

Joining the tributes was Stony Stratford Town Council clerk, Charles Brindley.

Charles told MK NEWS: "He was the life and soul of the High Street.

"He used to come in off his own back on a Sunday morning to clear up after Saturday nights. He wanted Stony to be the best it could be.

"Everybody knew him, and he will be a loss that is felt by many people."

Cheeseman, who has terminal stomach cancer, kidnapped the girl in November 2012, before a farmer discovered him and reported him to the police.

Trade booming for casino

THE Casino MK has welcomed 50,000 visitors in its first month of operations in the city.

The venue has exceeded its own expectations and although the weekends have been very busy, custom has remained steady during the week as well.

The new super casino, which is the largest outside London, is non-membership and open 24 hours a day and seven days a week.

General manager Nigel Hartland said: "We couldn't really have asked for a better first month of business.

"The weekends have been even busier than we had envisaged and we've seen a good mix of people coming through the doors."

The busiest weekend in September saw thousands of customers watching the Mayweather boxing match live on the media wall.

The casino has taken on 20 extra staff to cope with demand, meaning the venue will soon employ 250 people.

Damaged: The exposed flat where a woman lost her life in May has left local residents upset

Residents upset over fire-hit flat

BY JESSICA DUNCAN
jessica.duncan@mk-news.co.uk

NEIGHBOURS are upset that a flat where a woman died in a serious fire has been left uncovered since May.

The second floor flat in St Leger Court in Great Linford was where Dr Kathleen Henderson lost her life in a blaze on May 19.

The owners, Places for People, have not cleared or boarded up the property and passers-by, including school children, can see into the smoke-damaged rooms.

Suthasan Kulasegaram, 40, owner of Great Linford Convenience Shop, said: "This is a residential area and it is not nice for our locals or the school children who are nearby. I think it was such a long time ago it should have been boarded up."

Dawn Wright, from Great Linford, added: "I notice how children always comment, it's so sad that someone died there.

"For children and neighbours in the immediate area something should have been done sooner."

Places for People housing services manager, Wendy Hambidge, said: "Two flats at St Leger Court are currently unoccupied due to significant fire damage.

"The properties require a complete refurbishment and as such we have had to go through an insurance and tendering process which means work has not commenced as quickly as we would have anticipated.

"We apologise for any inconvenience caused to local residents. Work on the properties will start this month and everyone that may be affected have been written to."

After MK NEWS contacted the company, workers were seen clearing the debris from the flat.

New bowl to open next week

A NEW £2.2m bowling alley will open to the public for the first time on Tuesday.

The Hollywood Bowl, based at Xscape, is set to bring bowling back to the city following the closure of the Milton Keynes Mega Bowl earlier this year.

The new centre will boast state-of-the-art scoring software which will post strikes to Facebook and linked screens across the 18-lane venue that will show the whole centre when you celebrate a strike.

The new bowl will also host a cocktail bar and a restaurant serving American-style dishes.

And to celebrate the launch, the world's first bowling shoe exclusively for women will be unveiled at a ceremony on October 24.

Richard Whitaker, general manager of Hollywood Bowl Milton Keynes, said: 'We're looking forward to everyone seeing the amazing new centre , and can't think of a more fitting celebration of our opening than with the launch of a brand new bowling shoe."

Farewell possums

BY JUDY RILEY
editor@mk-news.co.uk

GLOBAL icon Dame Edna Everage says 'goodbye' to the world with her UK farewell tour which begins at Milton Keynes Theatre.

Barry Humphries' Eat, Pray, Laugh Tour is in town from October 23-26 before it goes all over the UK.

Dame Edna has never been in Milton Keynes before, so she is looking forward to saying 'Hello possums' when she arrives in a couple of weeks.

"I haven't been to Milton Keynes," Dame Edna said.

"But I hear the suicide rate is high. Have you ever committed suicide, darling?

"I'm so looking forward to coming there."

And Milton Keynes audiences can expect an entertaining night from Eat, Pray, Laugh according to Dame Edna herself.

"It's the best show I've ever done," she said.

"It was a huge hit in Australia. Sir Les Patterson, who I don't like much, is now a celebrity chef and he is in it.

"There's a séance, at which we meet Sandy Stone and another character I can't divulge anything about. Then in the second half, I take over with my gorgeous girl and boy dancers, the Everetts and the Testednarones and I introduce my new gorgeous ToyBoy – who is considerably younger than me."

And Milton Keynes fans of Dame Edna are bidded to go along to the show as it will be her last.

"This is my swansong," she said. "I want to leave you all at the height of my powers.

"You may see me on the television from time to time but this is my last physical contact with my audience and I have lots of fun!"

GOODBYE: Dame Edna is in MK

For the full interview visit www.mkweb.co.uk

It has been a long and glittering career for Dame Edna, who said she couldn't foresee such success when she was beginning in the industry.

"It seemed impossible. I stumbled into it.

"I met this young fellow, Barry Humphries, (a man who is currently sought by Interpol but that's another story) and I ended up going on stage to do my own little act. I got a taste for applause and started doing one-woman shows all over London."

For tickets, which cost between £17.90 and £80.90, call 0844 871 7652 or go to www.atgtickets.com/milton-keynes.

More Tasers for MK police force

BY JAMES AVERILL
james.averill@mk-news.co.uk

MILTON Keynes' top cop has said residents should be 'reassured' that the force is increasing the number of officers that can be deployed with Taser stun guns.

As of this Monday, the Local Policing Area (LPA) has been equipped with sufficient devices and trained officers in order to be able to effectively utilise the Taser equipment at any time.

The roll-out of the devices in Milton Keynes LPA has been a result of the force-wide plan to select more officers to be assessed, trained and equipped with the devices. Before now, only trained firearms officers have been permitted to carry and use Tasers.

And local policing commander, Superintendent Barry Halliday, said: "I am pleased that we are now in the position where we can start to use Taser devices.

"We are sure that by using them in Milton Keynes we will be able to protect our communities and further prevent crime in the area.

"Of course, the use of Taser devices will only be considered where it is deemed necessary and proportionate to the behaviour officer's encounter, and evidence suggests that the threat of using the device is more often enough to make people compliant and reduce the threat of harm and violence."

And he said that residents should be reassured if they see an officer with a firearm.

"The only messages I've received have been positive ones," he told MK NEWS.

"Residents in Milton Keynes may see more officers carrying a firearm. But they shouldn't be alarmed, they should be reassured.

"MK is the largest area in the force, and we have ensured that we have enough Tasers for our size."

Taser: It delivers a massive electric shock to stun criminals

THE PROS AND CONS OF DEFERRING YOUR STATE PENSION

Did you know you can defer your state pension in return for more money?

Basically for every year you defer taking your state pension it rises by 10.4% when you eventually take it. Alternatively you may elect to take a state pension lump sum at the end of the deferment period representing the pension you would have received plus interest at a rate of 2% a year over the base rate so 2.5% at present. The lump sum is subject to tax but only at the rate of tax your pay in the year you take it. So if you are a basic rate taxpayer paying 20% Income Tax you will only pay 20% tax on the lump sum regardless of whether or not this amount pushes your total income for the year into the 40% tax bracket.

The question is should you defer taking your state pension and, if so, why?

Well where the deferment option can be particularly handy is if you are continuing to work past the state retirement age, like a lot of people are doing these days, and especially if you are a higher rate taxpayer. So if you worked for another 5 years paying 40% Income tax and then retired and started paying 20% Income Tax instead, you could then take your deferred state pension and potentially only pay 20% tax instead.

Tony Byrne
Chartered and Certified Financial Planner
Author of Wealth Magic

The current basic state pension is £5727.80 a year. So based on a 5 year deferment period you could potentially receive a state pension lump sum of about £30,000 including interest. The tax saving for a higher rate taxpayer who subsequently becomes a basic rate taxpayer at retirement is £6,000 (£30,000 x 40%-20%). Quite a saving.

Deferment works really well if you live to a reasonably good old age. If you are in poor health with below average life expectancy then it probably isn't for you.

If you are considering state pension deferment or are simply approaching retirement and need advice why not get in touch?

Mayor opens new school extension

IT WAS a case of double celebrations for pupils and staff at Heelands School this week.

As well as marking its 30th birthday, the school also officially opened a new Foundation Stage extension.

The extension contains two new classrooms and a new shared area.

The building was opened by Milton Keynes' Mayor, Cllr Brian White and the Lady Mayoress Lenna White.

By gum, there's too much litter!

BY JAMES AVERILL
james.averill@mk-news.co.uk

A NEW campaign has been launched to tackle increasing levels of chewing gum litter in Milton Keynes.

Encouraging residents to 'Bin it your way', Milton Keynes City Centre Management and MK Council have partnered with the Chewing Gum Action Group (CGAG), an organisation chaired by Defra (Department of Environment Food and Rural Affairs) and funded by the chewing gum industry.

Results from previous years demonstrate the significant impact of the campaign on gum litter levels. In 2012 levels fell by an average of 54 per cent in participating areas, with some authorities reporting even better results.

The new advertising campaign features choreographed dance moves, encouraging gum chewers to dispose responsibly of gum litter or face a fine of up to £80.

The adverts will appear in locations across the city.

Melanie Beck, city centre manager at Milton Keynes City Centre Management, said: "Chewing gum litter is a real nuisance that is costly and difficult to remove.

"We hope that this campaign will encourage gum chewers to think before they dispose of their gum and to understand that they can play a real part in making Milton Keynes a clean place to live."

Cloudy2Clear Windows – Service With A Smile!

It's been a crazy few months for Cloudy2Clear Windows. The company which specialises in repairing windows which are steamed up, broken or damaged by replacing the panes – not the frames has grown rapidly as homeowners take advantage of their services.

Managing Director Billy Harley feels that it's all about service. 'Our product is simple. If your double glazing is misted up we can replace the glass at a fraction of the cost of a new window, in any type of frame, and with a new 5 year guarantee. But it's not just about saving people money, although that obviously helps. Many tradespeople have struggled since last year and I honestly feel that during the good times a minority perhaps didn't focus on customer care as much as they should have done. We make sure we turn up when we say we will, do the job the customer requires and leave their house as clean as a whistle. I often get comments back from customers on how they really didn't expect that sort of service which, in a way, is very sad for the service industry as a whole.'

Cloudy2Clear service the Bedford, Milton Keynes & Leighton Buzzard areas and Billy is finding that his approach is a major factor in his success. 'The truth is that it's not just the personal satisfaction that I get from doing a good job but also it makes good business sense. I get a huge amount of business from friends and family of people I've done work for, which just goes to show how much a little bit of effort is appreciated.'

So, if your windows are steamed up, broken or damaged give Billy a call for a free quotation on **0800 61 21 118** and he'll be happy to help!

Plea over rail jobs

BY JESSICA DUNCAN
jessica.duncan@mk-news.co.uk

RAIL Union the RMT says the 131 staff made redundant by Railcare in August should be 'automatically re-engaged' in a new recruitment campaign at Wolverton.

Knorr-Bremse RailServices (UK) Limited (KBRS) started a recruitment campaign last Wednesday inviting those made redundant to apply for positions at the Wolverton and Glasgow facilities which it took over on August 2.

Bob Crow, RMT general secretary, said it would be 'proper recognition' of the distress and misery caused to workers if those made redundant were immediately re-employed.

John Gaylor, 48, from Great Holm, was one of those made redundant from Railcare at Wolverton works. He said: "Some people are longing to get back in, they miss it, are local and its what they have known all their lives."

A spokesman from KBRS said: "We are currently asking people to pre-register their interest in working for the company and will look to match these skills to vacancies.

"Those previously made redundant are encouraged to apply for positions."

Bob Crow said: "Whilst the rescue of the two Railcare depots was welcome news, RMT believes that those who lost their jobs as a result of this corporate failure should be automatically re-engaged as a matter of priority and not forced to join the employment lottery alongside new applicants.

"That would be a proper recognition of the pain and misery caused to the workforce caught in the middle of this episode."

A CALDECOTTE man has returned from America after taking a solider who lost both his legs in Afghanistan on the trip of a lifetime.

Ron Kirkland, 61, rode with Lance Corporal Bryan Phillips on a Harley-Davidson – donated by the famous motorcycle company – along Route 66.

The Grand Canyon, Las Vegas and the Hoover Dam were among the landmarks Mr Kirkland managed to see as he rode an average 260 miles every 24 hours for nine days.

He rode a total of 1,864 miles by the end of the journey.

"The trip was out of this world," said Ron.

"From the day we arrived everything went according to plan and it was just spot on.

"The smile on Bryan's face was brilliant and he couldn't believe he had been picked for the journey."

Ron took part in the trek as part of the Ride Route 66 group, which raises money for wounded military service men and women to ride the famous route in America.

In June 2012 while on patrol, LCpl Phillips was blown up by a Taliban IED (bomb) and lost both his legs above the knee.

Mr Kirkland was a member of the Irish Guards in his youth – the same batallion as LCpl Phillips.

Mr Kirkland thanked the Buckinghamshire Army Cadet Force for their help in raising money for him and LCpl Phillips to go, which included them bag-packing and helping park cars.

He also thanked Honda in Aylesbury, and said he wanted to go on the trip again next year.

Charity ball for Mia's Wood fund

BY JAMES AVERILL
james.averill@mk-news.co.uk

A CHARITY ball is being held in memory of a young girl who died unexpectedly.

Mia's Wood has been established in memory of 13-month-old Mia Elcock, who died after suffering a cardiac arrest in 2011.

MK NEWS previously reported in October 2012 how Mia's mother, Kirstin McIntosh, called for improvements to paediatric care at Milton Keynes Hospital, after a coroner ordered a report into how they cared for children after Mia's death there.

Now the family want to create a lasting legacy for their 'nature loving' daughter.

Mia's Wood aims to create and maintain natural woodland spaces that can provide inspiration and enjoyment.

The group aim to provide education, recreation and conservation activities for the local communities.

Land in Little Horwood was purchased to develop Mia's Wood last year in time for her second birthday, and trees have now been planted on the site along with snowdrops.

Loved nature: Mia Elcock

But there are further plans to develop facilities on the site along with signage, nature trails, a tree stump stage for story-telling performances and much more. All funds raised through the ball will be used to achieve this.

Mia's dad, Simon Elcock, said: "Trees in their gorgeous autumnal colours, the reds and golds resonating in the sun, will always remind me of our Mia, as will the rustling of the leaves that so captivated our little girl on our many walks together.

"This is why establishing a wood in Mia's memory, a Mia Wood, is so important to us. Planting saplings that will grow and mature over a lifetime, what should have been Mia's lifetime, into mighty trees and repaying the care and love invested in them with beauty. It will be a lasting joy to everyone."

The ball will take place on Saturday, November 23 from 7pm-midnight at Horwood House.

Tickets cost £50 per person. A table for ten can also be booked. The evening includes a three-course dinner with wine, dancing and entertainment from Alkka Stevenson.

There will also be a charity auction, with the campaign 'welcoming' donations from businesses or individuals.

For further information and to purchase tickets, contact Rebecca@miaswood.org.uk.

Rugby club aims to 'double up' by 2015

BY SCOTT KIRK
scott.kirk@mk-news.co.uk

MILTON Keynes Rugby Club is hoping to double the number of its players by the time the Rugby World Cup comes to town in 2015.

Two senior figures from the club attended a star-studded launch at Twickenham last week to launch the local counties 'Cup Champions' programme.

Milton Keynes Rugby Club Chairman Gary Spinks, and MKRUFC Rugby World Cup Club Champion Andrew Flowers were with England players Alex Goode, Joe Launchbury and 2003 World Cup winner Kyran Bracken.

The aim is for clubs, counties, sports partnerships and businesses to spend the next two years and beyond making the most of one of the world's largest sporting events coming to England.

Club chairman Gary Spinks said: "With Rugby World Cup matches being hosted in Milton Keynes in 2015, this is a fantastic opportunity to introduce the sport and its lifelong benefits to new players from age five to 50.

"We are now seeing over 250 minis and juniors at the club every Sunday morning and we hope, with good planning, by 2015 this number will double.

"This is a once in a lifetime opportunity to put rugby on the map in MK."

Representatives of more than 90 local rugby clubs were welcomed by Bracken, the former England scrum half.

Clubs are being encouraged to nominate their 'Cup Champions' who will be volunteers working to bring new participants into rugby, welcome back lapsed players and join businesses, charities and county sports partnerships in publicising the 2015 World Cup.

Andrew Flowers and Gary Spinks from MKRUFC

Search is now on for new recruits

BY JESSICA DUNCAN
jessica.duncan@mk-news.co.uk

THE NAVAL Cadet Corps are recruiting after opening a new unit in the city.

On Monday, October 21 the new unit, T.S. Albion, will be open to recruits in Emberton Park, Olney.

The corps is recruiting 12-18 year-old males and females to take part in exciting activities including sailing, canoeing, camping, rock climbing and orienteering.

They aim to teach young people how to become good citizens and encourage them to consider a future career in the Royal Navy.

Based on the Royal Naval and Royal Marines' training, they provide a whole range of activities and visits to naval and marine establishments and operational ships. Officers within the corps have experience in the Royal Navy, Royal Marines and the Naval Reserves and are able help cadets develop.

T.S. Albion will be parading Monday and Thursday evenings from 6.45pm-9pm every week.

Recruits: Commander David Moth outside the unit in Emberton

Commander David Moth, corps executive officer, said: "We have 15 cadets already in Emberton and hope for more than 40 in the first 12 months.

The cadets is really about getting youngsters off the street and doing something.

"We go abroad every year and do weekends away.

"Last year our other units went to Belgium with the Belgium Navy which we plan to do again this year. Emberton will be a special unit as we have got rock climbing, sailing and great surroundings all on our doorstep."

T.S. Albion will become the second unit in Milton Keynes alongside T.S. Invincible in Bletchley. The evenings cost £2.50 for each session. For further information contact Commander Moth on 07732 325728.

As cold as ice: The ice rink at Somerset House, London, built by Ice Tech UK every year. The temporary rink in the former Waitrose supermarket at Midsummer Boulevard will be the same size as this one at Somerset House, except it is being built indoors. Some of the equipment for the rink is also being shipped over from Canada

Secrets of the rink

BY JESSICA DUNCAN
jessica.duncan@mk-news.co.uk

FOLLOWING the report in last week's MK NEWS' revealing the opening of a temporary ice rink on Midsummer Boulevard, MKIce gave us exclusive access to speak to rink-makers Ice Tech UK.

Mark Nelson, senior partner of Ice Tech UK, told us the step-by-step process followed over the 7-10 days it takes to create the rink.

Firstly, their exclusive cooling circuit called Mitra ICEGRID Floor System is fitted. Water is then flooded in which creates the ice layer by layer. Mark explained: "We wanted to ensure the clubs that are important to Milton Keynes were not left without an ice rink. We subsidised the costs heavily as we personally saw it as our way of saying thanks to the industry."

Ice Tech UK builds rinks worldwide and built the frozen lake for the Warner Brothers film Harry Potter and the Prisoner of Azkaban.

From October 28, the rink in the former Waitrose supermarket will open to the public and the city's clubs until the main rink is re-developed.

COOL ICE RINK FACTS

- The rink is made up of 25 layers of 16 cubic metres of ice.
- It needs 150 household freezers to provide the rinks cooling system.
- It will use 16-20,000 litres of water to make the ice pad.
- It would take over 1 million ice cubes to make the rink.
- It is built up 2mm at a time to make a layer of ice that is 50mm thick.
- Ice hockey lines and logos are painted under the ice.

Winning smiles

BY JESSICA DUNCAN
jessica.duncan@mk-news.co.uk

THOUSANDS of MK NEWS readers have been voting by text and phone to pick their four Baby and Toddler of the Year winners for 2013.

This year's competition was full of cute entries from the city's most beautiful babies and toddlers.

Despite the tough competition four winners had to be chosen by our voters.

And after more than a week of families and friends anxiously waiting, the results are in!

Our winner in the oldest category, four to six years, was cheeky chappy Rio Carrick.

For the 19-36 months category, voters chose 'cheering' Alfie Hawkins as the star.

Top princess of the 10-18 month section was the grinning Danielle Soria.

The youngest winner of them all, in the most popular category, 0-9 months, was little Alfie Ison.

The winners of the much-loved MK NEWS competition, supported by Tesco, Midsummer Place and GAP, each receive a 16 x 12-inch framed canvas and certificate which have been kindly supplied by photography company Lifestyle Image.

Pictured (from left) the city's cutest children: Rio Carrick, winner of the four to six years category and Alfie Hawkins, cheering champion of the 19-36 months section. Below: Danielle Soria, princess of the 10-18 months category and Alfie Ison the little blue-eyed boy who beat the competition to win the 0-9 months category

Not all agents are the same!

Robert Hodgson
Branch Manager, Taylors Estate Agents
436 Midsummer Boulevard
Milton Keynes MK9 2EA

Dear Rob,

Just a brief word to express our gratitude for the great work that you and your team did recently. You will recall that our house was previously offered for sale with another prominent, multi-office local estate agent with no success. In fact for the three months that that estate agent had the property, we had but one person to view the property and no expressions of interest. Regrettably all we have received from that agent was sweet words and platitudes rather than offers.

We then offered the property for sale with Taylors and within two weeks, had two offers. By the end of the third week we had sold the property. Granted the first agent was charging slightly less but what use was that when they failed to sell the property! Congratulations on a job well done.

I have no hesitation in recommending you and your team. I never thought there was any difference between one estate agent and another, I now know I was mistaken.

Best regards.

Yours sincerely,

Mr O

Winter warmth for older people

BY SCOTT KIRK
scott.kirk@mk-news.co.uk

RESIDENTS in Milton Keynes will be able to stay warm this winter despite the scrapping of a national energy supplier's scheme.

E-On's StayWarm scheme, which was designed for older residents, has gone by the wayside as Ofgem want to simplify how tariffs work.

But Age UK Milton Keynes has received a grant to carry out free home energy checks after Age UK in London said they had secured them the funding.

The checks will look at the efficiency of heating systems in houses and look at insulation and draft proofing.

Included in the work that will be carried out at peoples' homes are draft strips in doors and windows, radiator foils to reflect heat back into rooms and installing secondary heating where required.

"With those in fuel poverty, we will help make sure they are getting the best possible deal they can," said Paul Griffiths, marketing and fundraising manager at Age UK Milton Keynes.

KEEPING WARM: Handyperson Chris Moore installing a radiator

"It's always disappointing if any energy provider has to increase tariffs but on a more positive note we are here to help older people."

Another project Age UK Milton Keynes is working on with MK Community Foundation is its 'Surviving Winter' initiative, with Food Bank and the YMCA.

The charity's handyperson service can also carry out home safety checks.

Thanks to a £10,000 grant from the People's Postcode Trust, Age UK Milton Keynes have bought and fitted out two new vans.

The work is needed as there are a growing number of older people in households in MK living in fuel poverty.

Mr Griffiths said anyone needing help can phone Age UK MK on 01908 550700.

Olympic trio take to the snow slope in MK

BY SCOTT KIRK
scott.kirk@mk-news.co.uk

MORE than 2,500 people were at Snozone, Milton Keynes at the weekend with Olympic legends Sir Steve Redgrave, Iwan Thomas and BBC Ski Sunday presenter Graham Bell.

Thousands of fans enjoyed skiing and snowboarding at the Slide2Sochi Winter Olympic roadshow.

Sir Steve Redgrave, a qualified ski instructor, was giving out useful tips on the slope while Iwan Thomas tried skiing again for the first time in 20 years.

Five-time Olympian and BBC Ski Sunday producer Graham Bell was also giving snowboarding a go before clipping into his skis to set a time on the race course.

To add to the Olympic buzz, GB junior snowboarders Becky Menday and Will Gilmore were showing off their skills on the slope and the GB Bobsleigh team were inundated with people trying out their bobsleigh.

The giant Slide2Sochi snowball which is collecting good luck messages for the GB wintersports athletes ahead of the Games was always busy and there was a competitive timed ski run.

Sir Steve Redgrave said: "It has been a pleasure giving out tips to people who are trying skiing for the first time.

"I have always loved skiing with my family and it is great to see so many people here at Milton Keynes getting such pleasure from their skiing and snowboarding sessions.

Graham Bell said: "Teaching people to ski and snowboard is so rewarding and it has been a great day of passing on my passion for snowsports and seeing people catch the bug.

"This is going to be a big year for British skiing and snowboarding. As we head towards the Winter Olympics in Russia next year more and more people will see our sports on screen and want to give them a go."

A few simple guidelines were set out to ensure that it was always a pleasure to do business with Homesure. No dubious sales techniques, false promises or underhand tactics, just straight forward *good deals*, a *great product for a fair price*. Those initial principals have not changed. Over 100 new customers a month from Bedford, and the surrounding areas, now choose a brand from The Home Improvement Centre, either Homesure, The Door Studio, Denverglaze, Simply Conservatories or MK Glass. Therefore, you are invited to have a FREE NO OBLIGATION QUOTATION in the comfort of your own home or online, or to visit our QUOTE CLINIC. Bring your window sizes, styles and maybe a photo to our showroom for on the spot advice, design and quotation. You can see for yourself our range of products and finishes. No holds Barre-d guitar with six-string supremo Martin

MARTIN Barre first found fame as the axe-man with Birmingham-based band Jethro Tull.

Having won over fans with fabulous riffs and sumptuous solos – his hit-song, Aqualung, was voted as one of the top 50 guitar solos of all time – he is now entertaining Tull fans with his own band.

As Jethro Tull are taking a break from touring, Martin has put together his New Day band to play some classic tunes from the Tull catalogue.

The act is committed to giving Tull fans and a broader audience the chance to hear tracks not performed for many years.

The band includes other members of Tull and top musicians from a similar background.

Having been Jethro's guitarist for 43 years, Martin's sound and playing have been a major factor in their success.

Album sales have exceeded 60 million and they continue to be played worldwide, representing an important part of classic rock history.

Martin Barre and his New Days band will be playing at The Stables in Wavendon on Monday at 8pm.

Tickets cost £21.50 and can be bought from www.stables.org.uk or by calling the box office on 01908 280800.

PRISONERS has plenty crammed into its intricate plot, which may explain why it needs to be two and a half hours long.

Hugh Jackman stars as practical father Keller Dover, whose little girl and her friend are kidnapped one Thanksgiving in this long and occasionally gripping drama.

Keller's world is thrown into darkness as Detective Loki (Jake Gyllenhaal) is brought in to solve the case. Loki's dark and brooding manner makes him hard to relate to and it isn't long before he's butting heads with Keller. Frustration turns into rage after Loki is forced to let the main suspect, Alex Jones, go due to lack of evidence.

Paul Dano is excellent as Jones whose child-like manner makes him both naïve and unsettling. Jackman is also convincing as a father filled with rage bubbling just beneath the surface of his rough exterior. He's a man on the edge driven to extreme measures to find his daughter and bring her home.

There are plenty of twists to keep you guessing, but for a so-called suspense thriller it doesn't keep up the pace. Tighter editing would have pulled everything together much more neatly and Prisoners could have been the great suspense thriller it's crying out to be.

a-hoycap'n

A HOST of events are taking place at MK Theatre to celebrate the arrival of the English National Ballet.

The group will perform Le Corsaire (The Pirate) from Thursday, October 17 until Saturday, October 19.

But on Tuesday, workshops will take place including extracts and drama from Le Corsaire (**see Hot Picks for more information**).

Then on Friday, people can go on an exclusive live drawing event that focuses on capturing the body in motion.

Also on Friday, people can learn new writing skills when The Times dance and theatre critic Donald Hutera is in the city.

And there will be a unique opportunity to watch the dancers warm up before the Saturday show.

Finally an on-stage dance workshop, followed by a creative design and making workshop, will take place on Saturday.

Le Corsaire is a thrilling ballet about pirate Conrad and his love for Medora, a beautiful harem girl.

Hollywood film designer Bob Ringwood (Batman, Alien 3, Star Trek Nemesis, Ai and Troy) created new sets and costumes for this period piece.

rollerskating

GET your skates on and have a good time at Zoom Roller Skating.

They run a family orientated skating session at Courtside Sports Hall, Milton Keynes College, Bletchley, every week.

There is a great disco atmosphere and they intersperse this with roller skating games that are enjoyed by young and old alike.

Skating is currently held on a Sunday from 2pm-4pm, but from October 19 that will change to 2pm-4pm on a Saturday.

BOB Streatfeild is a ranger at Woburn Safari Park. In his latest column for MK LIFE, he talks about some of the new additions to the family of animals

THERE was great news this month as we welcomed a new baby into our growing herd of Rothschild's Giraffe.

The male calf was found in the house on September 11 when the keepers arrived in the morning. Mum, Acacia, had done a very good job of cleaning up the calf and was stood proudly next to him, while father, Casper, looked on.

The calf can now be seen out in the main Road Safari reserve with the herd and is enjoying exploring his 15-acre home.

We were also happy to see a new arrival into the Birds of Prey collection, as we welcome Howard the Abyssinian Ground Hornbill. Howard joins us from Cotswold Wildlife Park and is going to be trained by keepers, so eventually he'll be taking part in one of the two daily birds of prey demonstrations.

He is a generous bird and when being fed, his favourite trick is to try and get the keepers to share his lunch with them. Sadly for Howard, with a diet of chicks, mice, fruit and veg, the keepers are not too keen on this idea!

Despite being a 'Ground Hornbill', Howard happily flies around in his in enclosure. The keepers are encouraging him to run around the display showing how he would behave in the wild as a ground dwelling bird.

US ROCKERS Kings of Leon have returned with their sixth studio album – and they're back to their best.

Their last album, Come Around Sundown, was recorded while the Followill family (three brothers, one cousin) were at loggerheads. But new outing, Mechanical Bull, has a fresh feel that indicates they've set aside their differences.

Opener Supersoaker is one of the chirpiest songs they've done, while catchy Rock City tells of lead singer Caleb's search for 'a woman willing to love'.

Don't Matter is the heaviest thing they've done since third album Because of the Times, while Family Tree harks back to their earliest material.

There are also songs for newer fans who were sucked in by the stratospheric album Only By The Night. Wait for Me is the album's Use Somebody moment and Beautiful War is lyrically simple, yet brilliant at the same time.

It almost feels like a best-of album full of new songs that will please both old and new fans alike.

James Averill

newlevel

GRAND Theft Auto returns in its best outing yet and could scoop the gong for the best game of 2013.

GTA 5 tells the interwoven stories of Franklin, Michael and Trevor, in the most seamless and action-packed game Rockstar has ever had the genius to create. It raises the bar from previous games with a bounty of environments to explore and intellectual AI that really brings the game to life.

The sophistication of the story weaves together the stories and interactions effortlessly with sarcastic wit and dark humour. The game introduces multiple playable characters for the first time to coordinate heists meticulously, using each character's unique abilities and the tap of a D-pad button.

Grand Theft Auto 5 is superior to its predecessor in every single way. While Grand Theft Auto 4 introduced refined graphics, great story and action-packed game play, GTA 5 takes it to a whole new level.

RUGBY UNION

MK leapfrog Bletchley

MILTON Keynes have overtaken Bletchley – who lost 16-10 to Aylesbury – at the summit of Southern Counties North after hammering Swindon College Old Boys 69-15.

A well-executed catch and drive by MK allowed Gino Genova to show his power for the first try, converted by Phil Powell.

Newly-promoted Swindon came back to make it 7-3 after five minutes.

MK's Dan Rolfe broke from his own half to score and that opened the floodgates to 38-3 as Rob Lasbrey, David Brown, Lewis Barnett and Rolfe again went over, with Powell converting all but one try.

City started the second half brightly and Lasbrey spotted the gap to increase the score to 45-3.

Swindon brought the game back to 45-15 as MK began making mistakes but City were rampant in the last 12 minutes, running in a further four tries from Dan Pearson, Rolfe, Ollie Fountain and club stalwart Stuart Tomkinson, with Powell hitting two of the conversions, to round off the scoring.

It was a mixed performance from Bletchley, who took the lead through a Tim Stobbs try in the 14th minute and doubled their advantage to 10-0 when centre Kev Turnbull held up his pass to release Dan Read down the right wing.

Aylesbury pulled a penalty back before half time and a couple more in the second half brought the game back to 10-9.

Bletchley could not hang on to possession and as Aylesbury applied the pressure, silly errors crept into their play.

With Bletchley having a player sent to the sin-bin for ten minutes, Aylesbury made the most of the man advantage and scored a converted try, which ultimately won them the game. Bletchley have slipped to third behind Thatcham.

Olney took an early lead away at Market Harborough in Midlands Two East (South) with a couple of penalties after 15 minutes.

The home side made it 6-3 but Stuart Livesey found enough room to go round the Market Harborough defenders and touch down for a try that was well converted by Jordan Letts.

Olney's early advantage slipped to 13-8 and after a penalty and an unconverted try, Harborough took a 16-13 lead.

Letts levelled the score at 16-16 and Brendan Kerr went over in the corner to seal the game. The conversion attempt failed but the visitors won 21-16.

MK Dons Head of Coaching GARY WADDOCK writes exclusively for MK News every week

GILLINGHAM was a strange game on Saturday.

Obviously it wasn't so long ago when Peterborough went down to nine men against us but it was roles reversed on Saturday as we were down to ten, although we obviously didn't get the result Posh did.

At 2-0 down we did very well to get back to 2-2. We feel for Tom Flanagan after he was sent off and gave away two penalties.

He was going back to a club where he has done very well in the past and it's hard for him but he'll learn.

Alan Smith did very well in defence considering that was a new role for him.

We've got a lot of injuries but that's part and parcel of the game. I think about a week or two ago we had nearly a full-team squad – everyone was fit apart from one or two of the longer term ones but go forward 10 to 14 days and now we've got between six and eight players out.

That's why you've got to have your squad and an opportunity drops for someone else so we've got to get a team together and win football matches.

It's not the biggest squad in the world but there are players on the fringes and it gives them a chance to have some games and stay in the team.

It's Leyton Orient on Saturday who are top of the table but we'll focus on our own game.

They have started extremely well with this fantastic run of form they've been on so you look at that and think 'they're due a defeat'.

That's the way I look at it but obviously they'll want to continue their run.

I think from our perspective the longer they continue this run, the closer they are to that first defeat of the league season.

We've got to go there and make sure we do well and give a good account of ourselves.

Poole: "Manchester and Guildford are the teams to beat"

UP FROM THE FLAMES: Match action as Manchester beat Lightning. Pictures: Jaz Tibbetts

ICE HOCKEY

MK LIGHTNING head coach Nick Poole believes Manchester are one of the teams to beat this season after the Phoenix beat his charges 3-1 on Saturday.

Phoenix are unbeaten in their opening six games, and Poole's main aim for this season is to keep up with them and last year's double winners Guildford Flames.

Things did get better for Lightning on Sunday when they edged out Swindon Wildcats 4-3 in a tight game.

Lukas Zatopek and Ross Green were taken off injured during the latter game, but Poole hopes the former will return for this weekend's English Premier League matches against Peterborough Phantoms in Coventry on Saturday and the trip to Slough Jets on Sunday.

"I think Manchester and Guildford are the teams to beat this year," said Poole.

"We've beaten one of them [Guildford] already and gave Manchester a good run so we want to stay as close to those two as possible this season.

"I'm really happy with the way the guys are conducting themselves on and off the ice at the moment.

"I was disappointed with the result on Saturday but they're the best team we've played so far this season and it was a fairly even game, so next time we play them I think we can beat them."

Frantisek Bakrlik and James Archer put Manchester two up and Lightning were guilty of sloppy marking when Phoenix added a third goal on 34mins 25secs through former MK player Jacob Corson-Heron.

There was a brief moment of joy for Lightning's fans when Lewis Christie supplied Janne Jokila to come from behind the net to beat Steve Fone on 35mins 25secs but there were no further goals to the tally.

Lightning started better at Swindon Wildcats as Jokila scored but the Wiltshire side levelled through Ryan Aldridge. Ross Bowers netted to put Lightning ahead but the lead did not last long with Sam Smith registering.

Jokila set up skipper Adam Carr for Lightning's third goal and Tom Carlon made it 4-2 before Swindon hit back through Aldridge.

Games with the Phantoms are always fiercely contested and Saturday promises to be no different.

"Form goes out the window for derbies so we're expecting a tough weekend," said Poole.

Former Don Morais sends MK packing

FROM BACK PAGE

hit the target after five minutes.

Stevenage looked lively though, with Lucas Akins unable to get a proper connection onto Filipe Morais' cross. The ball fell to Luke Freeman at the back stick, but his shot was easy for Ian McLoughlin to collect at his near post.

Daniel Powell was making his first start for the club of this campaign following an injury in pre-season and he could have broken the deadlock in the 17th minute.

Alan Smith won the tackle, and the ball was fed to Powell, who drove towards the edge of the box. But his shot was tame, and Day was able to swat the low shot away with his foot.

Stevenage were enjoying the pressure in the early stages but Dons' makeshift defence was making light work of the home side's attacks.

The hosts did have the ball in the back of the net as they continued to press in the 20th minute, with Michael Doughty threading through for Akins, but the number 11 was well offside and the goal was rightly scratched off.

Dons showed signs of getting a grip on the game in the 24th minute with a nice interchange of passing.

Bamford showed a touch of class to create room for himself and played a good ball into Powell, but he scuffed his shot on the turn. On 25 minutes though, Dons did take the lead.

McLeod charged into the box from the right wing, and he was much too powerful for Freeman, who bundled him down for a clear penalty. Up stepped Williams, who coolly slotted home his third spot kick of the season by placing the ball into the top corner, giving Day no chance. However, Stevenage nearly responded straight away.

Francois Zoko played the ball into Freeman, who was looking to make amends for conceding the penalty. He made Ian McLoughlin produce a great save with his legs, and with a Stevenage man running on, the keeper gathered the ball at the second attempt.

McLeod shot wide just after the half-hour mark as Dons tried to up their game but Stevenage were huffing and puffing.

WASTE OF TIME: Dons boss Karl Robinson was highly critical of his players after the game

The hosts were getting closer to goal when Simon Heslop lofted a ball high into the air.

Zoko nearly reached it in the six yard box with no defenders around him, but he couldn't divert the effort goalbounds and Dons continued to lead going into the interval.

Stevenage were looking for an equaliser and the tale of the first half was one where Boro were perhaps unlucky to be losing, with Dean Lewington sticking out a vital foot when Zoko tried to play a ball for former Don Morais in first half injury time.

Powell had the first opportunity of the second half when he brought the ball inside to the edge of the box, but he showed a lack of match sharpness by blazing his shot high and wide.

But six minutes after the re-start, Stevenage had a deserved leveller. Doughty put the ball into the box, and Zoko was able to turn the ball into the net from point-blank range.

The home side almost took the lead two minutes later when Akins let rip from distance. McLoughlin was beaten all ends up but luckily for him and the visitors the ball only just went above the upright.

Dons were lacking up front though, and Bamford was a passenger in the game as Stevenage's midfield dominated.

And it wasn't long before Graham Westley's side took the lead.

Zoko was brought down in the box just after the hour mark, and Morais sent McLoughlin the wrong way from the penalty spot to reverse the roles and put the home side in front.

Stevenage then really threatened to pull the trigger, and with Boro players queueing in the six-yard box to divert a cross into the back of the net, George Baldock put in a crucial clearance to avoid his side going 3-1 down after 62 minutes.

Robinson made three substitutions to bring some life back into his players, and that seemed to settle Dons initially, with Jason Banton letting rip with a good low shot which forced an excellent save from Day at his near post.

But Stevenage responded with a couple of subs of their own, and with 15 minutes left Bruno Andrade nearly scored with his first touch when he let rip on the half-volley from 30 yards. But his effort clipped the bar and went over.

The only levity provided for the visitors was when the sprinklers turned on, drenching McLoughlin when the ball was at the other end of the pitch.

Bamford nearly pulled one back after a wonderful chip from Darren Potter into the box.

His first touch gave him room, and he got a shot off which threatened to squirm into the bottom right corner until Day scrambled across his goal to make a good save.

Robinson's charges were looking to get back into the game, but a couple of corners at the death were not enough for the patched-up stadiummk outfit to force the game to penalties, and an out-of-sorts Dons' Johnstone's Paint Trophy journey was at a deserved end at the second round stage.

SPORTSSHORTS

ATHLETICS

OLYMPIC long jump champion Greg Rutherford was named athlete of the year at the Marshall MK Athletic Club's annual awards.

Despite his subdued year, Rutherford won the award with Sportsperson of the Year going to Carl Baldwin, who regularly competes in just about every field event for the Southern League team as well as road races and cross country.

Gordon Fallow won coach of the year and official of the year was Nick Folwell.

The competition for "Club Person of the Year" was so close that eventually it ended in a three way tie between Milford Callow, Paul Toombs and Jim Morrison.

GOLF

A MILTON Keynes golfer has received a limited-edition BOSS watch after scoring a hole-in-one during a recent competition at his golf club.

Gary Sheridan, 29, scored his ace on the 134-yard, par-three 17th at Abbey Hill.

The German brand has pledged to reward club golfers with an exclusive watch for every hole-in-one recorded during a club competition between April 15 and October 31 this year.

The scheme is open to any golfer whose club uses HowDidiDo - a free-to-use, web-based social network for golfers - and anybody playing in official club competitions will be eligible.

Currently, more than 1,800 clubs use the website.

NON-LEAGUE FOOTBALL

NEWPORT Pagnell Town conceded seven goals and scored none from their two games this week.

Last Tuesday night they were put to the sword by Cogenhoe United as the visitors won 4-0, with Jack Croxford sent off for the hosts.

Spalding United were next to visit Newport Pagnell and they left with a 3-0 success in the United Counties League Premier Division, which sees the Swans down to 17th.

In Division One Sam O'Neill scored four goals in Olney Town's 5-1 demolition of Thrapston Town.

James Wardell got the other goal as Olney moved up to 10th in the table.

New Bradwell St Peter beat Aston Clinton 4-0 in the first round of the Spartan South Midlands Football League Challenge Trophy.

A brace apiece for Sam Bearman and Fred Yinka-Kehinde were enough for New Bradwell.

Old Bradwell United came from a goal down to beat Stony Stratford Town 2-1.

Deanio Bailey-Brown gave Stony the lead but Lewis Gray equalised from the penalty spot in the 70th minute, and Barry Rooney scored to give them the win.

Wolverton Town beat Grendon Rangers 3-2, while in Division Two Willen lost 2-0 at home to Tring Corinthians.

FORMULA ONE

Vettel inching closer to his fourth world title

SEBASTIAN Vettel, *pictured*, is potentially one win away from winning his fourth consecutive World Championship for Tilbrook's Red Bull Racing after a consummate display in Korea.

The win means he is now 77 points clear at the top of the order, and victory in Japan this weekend will seal the title for him as long as Ferrari's Fernando Alonso finishes worse than eighth.

It was another disappointing Sunday for his soon-to-depart team-mate Mark Webber though, who was forced out of the race when he was hit by Adrian Sutil.

From pole position, Vettel held on to his lead into the first corners, and was in front all the way to the chequered flag in a straightforward race for him despite there being two safety cars. "The start was crucial," said Vettel. "It's always tricky here as you're nervous about the long straight when you start from pole.

"Fortunately, we had good traction off the line and I had a strong exit out of the first corner.

"We kept the lead and tried to control the race from there.

"We're just focusing on continuing to take one step at a time and trying to get the best out of the car at every single race."

Both safety car periods involved Webber, who had an incident-packed race. After qualifying third, the Aussie started 13th due to the penalty he received after the Singapore Grand Prix.

After the start he made his way up to third before his second stop, but when he rejoined it was behind Sergio Perez, who was nursing a damaged right front tyre. The tyre blew and Webber had to take evasive action.

The incident brought out the safety car and Webber pitted again. That put him in P11 and when the safety car left the circuit, Mark was broadsided by the out-of-control Force India of Sutil and pitched out of the race.

Team Principal Christian Horner, whose outfit lead the Constructors' race by 118 points, said: "It was a really disciplined drive by Sebastian today to win his third consecutive Korean GP.

"Mark would have been on the podium and it was somewhat frustrating to see our car on fire for what seemed to be an age."

Robinson: 'Second half was a waste of my time'

BY SCOTT KIRK

JOHNSTONE'S PAINT TROPHY R2

STEVENAGE	2
MK DONS	1

MK DONS manager Karl Robinson was furious with his side's second half performance as his depleted outfit were deservedly knocked out of the Johnstone's Paint Trophy last night.

Robinson said the second half was 'a shambles' as the Dons let slip a 1-0 lead to lose 2-1 at Stevenage

Dons had no fewer than eight absentees, and they struggled to come to terms with their injuries as a fired-up Stevenage ran out deserved winners.

But Robinson made no excuses, and was angry with his side's performance.

"That last 45 minutes was embarrassing," said Robinson.

"It was a shambles and a waste of 45 minutes of my life.

"I love the players to death but today that wasn't acceptable – they need to learn lessons quickly.

"I'm fuming – you don't fight fire with fire and we tried to fight them at their game.

"We reverted to a style I've never seen us play before. I've never seen us play so many long balls and Izale McLeod and Patrick Bamford got battered."

It started well for Dons as they had the first opportunity of the game when George Baldock was brought down 35 yards out.

Shaun Williams produced a wonderful free kick which Chris Day did extremely well to turn onto the bar as Dons were the first team to

Baggaley carries on with European journey this week

MILTON Keynes table tennis star Andrew Baggaley continues his Liebherr European Championship journey in the doubles and singles this week.

He helped England finish 19th in the team event last weekend with three wins and two defeats.

Most impressive of those victories was his success over Oleksandr Didukh – the Ukrainian number one.

England started their campaign positively with a 3-2 win over Turkey, Baggaley beating Gencay Menge for his point for the side, before the Three Lions lost 3-0 to Romania in the next round.

In the 19th-20th play-off, Baggaley beat Bojan Crepulja 3-0 to cement the victory for England.

Brother and coach Stephen said: "Andrew's in good form and now he's looking forwards to the singles."

In the doubles Baggaley partners Daniel Reed, and they got off to a good start yesterday by beating Slovenia's Ludvik Persoija and Uros Slatinsek 3-1.

Their campaign continues with matches against Austrian duo Stefan Leitgeb and Simon Pfeffer today before France's Enzo Angles and Abdel-Kader Salifou are the opponents on Friday.

Baggaley and Reed must top Group 14 if they want to progress to the knock-out stages of the competition.

In the singles event, Baggaley got his campaign off to a good start by beating Finland's Samuli Sione 3-0 yesterday afternoon.

In group 22, Baggaley will also come up against Nicola Mohler today before facing Portugal's Andre Silva on Friday, which should be an interesting game for the MK lad.

Baggaley has played doubles with the Portuguese before, so a tough game is expected on Friday as both players know each other's games.

Stephen added: "The game against Silva will be a tough one."
